## **ANACHEEVA**

b.h. 2007 by Anabaa – Monroe Magic by Zabeel

*“Anacheeva is a classic winning Champion Miler. He is by Champion Sprinter and outstanding sire, Anabaa, one of the most important sons of Danzig. On the distaff side, he is out of the famed Zabeel mare, Monroe Magic, dam of four graded stakes winners, three of them grade one, and two of them classic winners. With these credentials, Anacheeva looks a standout in the Victoria program..”*

Anacheeva is a classic winner of 4 races, A\$969,275, including Caulfield Guineas (G1), Caulfield Guineas Prelude (G3) and Mitchell McKenzie Stakes, third AJC Australian Derby (G1).

Anacheeva is by European Champion Anabaa, a winner of 8 races, \$482,394, including July Cup (G1), Prix Maurice de Gheest (G1), Prix du Gros-Chene (G2), Prix de Saint-Georges (G3), Prix Cor de Chasse, Prix Servanne, etc. Anabaa is sire of 88 stakes winners, including Champions Goldikova, Anabar, Yell, Anabandana, group and grade one winners Anacheeva, Headturner, Amonita, Anabaa Blue, Rouvres, Precision, Virage de Fortune, Teranaba, Imananabaa, Le Drakkar, Plumania, Style Vendome, etc.

Anacheeva is a brother to Headturner (AJC Australian Derby (G1)), and half-brother to O'Marilyn (Manawatu Sires' Produce Stakes (G1)) and Kroner (Premiere Stakes (G2)). His dam, Monroe Magic, is out of My Marilyn, a graded stakes placed half-sister to stakes winner Danasar, and to graded stakes placed Bali Sugar (dam of Champion Butterscotch and graded stakes winner Viennetta; granddam of graded stakes winner Golden Archer), Bali Hi (dam of stakes winner Eire Hostess), and Dancing Mistress (dam of stakes winner Savour The Moment). The third dam, Tasman Dancer, is half-sister to stakes winner Sukram, to graded placed Generalissimo, and to the dam of Champion Winestock.

Anacheeva has Northern Dancer 3 x 5 x 5

Anabaa has sired 21 stakes winners out of **Northern Dancer** line mares. His champion Yell is one of two stakes winners by Anabaa out of mares by **Bluebird**, sire of **Dolphin Street** and **Lake Coniston**. Bluebird is by **Storm Bird** (a genetic relative to The Minstrel, who is in the dam of the mare), and from the **Storm Cat** branch of that line, Anabaa has sired a stakes winner out of a mare by **Hennessy** (sire of **Johannesburg**), and this line might also be introduced through **Giant's Causeway** and **Shamardal**, **Van Nistelrooy**, **Tale of the Cat**, **Catrail** and **Statue of Liberty** (who gives linebreeding to the exceptional mare Gay Missile).

Over mares from the sire line of **Nijinsky II** – a three-quarters-brother to The Minstrel – Anabaa sired grade two winner French Bid out of a mare by **Copper Kingdom**, as well as stakes winners out of mares by **Dancing Spree** and **Generous** (by **Caerleon**, also sire of **Tenby**, **Alquoz** and **Corwyn Bay**). It could also be worth considering bringing in **Nijinsky II** through **Royal Academy** and **Yeats** (a close relative to Nureyev, who is in the pedigree of Anacheeva).

Anacheeva is a half-brother to grade one winner O'Marilyn, who is **O'Reilly**, a son of **Last Tycoon** (who is available through **Iglesia**, **Written Tycoon**, **Bigstone**, **Just Awesome**, **O'Reilly**, **Towkay** and **Knowledge**).

Anacheeva's granddam is inbred to **Northern Dancer** through Windfields Farm-bred The Minstrel and Vice Regent. Anabaa has sired two stakes winners out of mares by **Night Shift**, who is another Windfields-bred, and related to both of those horses. He could be brought in through **Align**, **Nicolotte** and **Azamour**. The **Vice Regent** strain could also be profitably doubled through **Deputy Minister** (broodmare sire of an Anabaa stakes winner) and **Dehere**. Anabaa has two stakes winners out of **Nureyev** mares, and sources of this strain that appeal here are **Peintre Celebre**, **Stravinsky** and **Fasliyev**. The cross with **Sadler's Wells** line mares has not been exceptional for Anabaa, although he does have stakes winners out of mares by **Singspiel** and **Scenic** (sire of **Blevic**). However, Anacheeva is out of a mare by Zabeel (broodmare sire, Nureyev, a three-quarters brother to Sadler's Wells), and in addition to those mentioned we can note Zabeel combining successfully with **Sadler's Wells** through **Carnegie**, **Montjeu**, **Barathea**, **High Chaparral** and **Galileo** (sire of **Teofilo** and **New Approach**). **Fairy King** is a brother to **Sadler's Wells**, and he may work well here through **Encosta de Lago** (broodmare sire of an Anabaa grade two winner) and his son, **Delago Brom**, as well as **Helissio**, **Helenus** and **Falbrav**.

The Northern Dancer/Sir Gaylord and Sir Gaylord/Northern Dancer combination is prominent in the pedigree of Anabaa, and that would encourage trying **Northern Dancer** through **General Nediym**, whose grandsire, **Shareef Dancer**, is a product of the same cross.

As a son of **Danzig**, Anabaa was not tested frequently with Danzig line mares, although he does have a stakes winner out of a mare by **Grand Lodge** (by **Chief's Crown**). We can note, however, that there are already six stakes winners by Danzig line stallions out of Anabaa mares, including grade one winner Rostova (by **Testa Rossa**, a son of **Perugino**, a three-quarters brother to Nureyev, which should work well here). There are also two stakes winners by **Redoute's Choice**, and one by his son, **Not A Single Doubt**. Another **Danzig** line stallion who might work here is **Flying Spur**, who goes back to Fanfreluche, as does his close relative **Holy Roman Emperor**.

The cross of Anabaa with **Mr. Prospector** line mares has provided 14 stakes winners. This includes three out of mares by **Woodman** (sire of **Timber Country** and **Hector Protector**); one out of a mare by **Gone West**, and another out of a mares by that horse's son, **Zafonic** (sire of **Xaar**, who looks interesting here), suggesting trying other **Gone West** line stallions, such as **Mr. Greeley**, **Iffraaj**, **Elusive Quality**, **Elusive City** and **Grand Slam**; and two stakes winners out of mares by **Machiavellian** (sire of **Street Cry** and **Vettori** – who appeals here – and grandsire of **Street Sense**).

Woodman is a **Mr. Prospector/Buckpasser** cross and Anabaa also has stakes winners out of mares by the similarly-bred **Seeking the Gold** (sire of **Secret Savings**, **Lujain** and **Dubawi** – a horse who may like the Northern Dancer/Sir Gaylord in Anacheeva) and **Miswaki** (sire of **Umatilla** and **Bachelor Duke**). There is an Anabaa stakes winner out of a mare by **Gulch** (sire of **Thunder Gulch**), one out of a mare by **Kingmambo** (sire of **King's Best** – who is from the family of an Anabaa classic winner – and **Dubai Destination**), and one out of a mare by **Celtic Swing**. It might also pay to introduce **Mr. Prospector** through **Hussonet**, **Defensive Play**, **Unbridled's Song**, **El Moxie** (sire of a Champion from Anacheeva's family), and **Distorted Humor** and **Fusaichi Pegasus** (who both give well-placed inbreeding to Danzig).

Anabaa has four group winners out of **Roberto** line mares. They include classic winner Style Vendome, who is out of a mare by **Dr. Fong**, a son of **Kris S.**, a horse who can be introduced through **Prized** and **Brocco**; graded winner Slapstick, who is out of mare by **Red Ransom** (who might be sourced through such as **Sri Pekan**, **Domesday**, **Charge Forward**, **Intikhab** and **Ekraar**); and group winner Arazan, out of mare by **Lear Fan**, the sire of **Casual Lies**. It would also be worth considering introducing **Roberto** through **At Talaq** and **Touching Wood**.

It could also be worth trying Anacheeva over mares descending from Roberto's sire, **Halo**, through **More Than Ready**, **Sunday Silence** (represented in Australia by **Tayasu Tsuyoshi**, **Fuji Kiseki** and **Genuine**) and **Don't Say Halo**.

Anabaa did very well with mares from the **Kenmare** line, siring group one winner Virage de Fortune out of a mare by **Kenmare** himself, two stakes winners, including group three winner Ana Marie out of a mare by **Kendor**, and a group winner out of a mare **Highest Honor**, as well as a stakes winner out of a mare by that horse's son, **Verglas**. This would suggest also trying mares by **Metal Storm**, **Kenvain** and **Tribu**, as well another from the **Kalamoun** line in **Jeune**.

Introducing the **Sir Tristram** line will mean doubling that horse, but we can note that Anacheeva's graded stakes winning half-brother is bred a stallion bred on Danzig/Sir

Tristram cross and has Sir Tristram 3 x 3. One might look to daughters of **Marauding**, **Grosvenor**, **Kaapstad**, **Sovereign Red** and **Dalmacia**, all of who appear in stakes winners inbred to Sir Tristram with one strain via Zabeel, as her.

Crossed over mares from the **Star Kingdom** line Anabaa has sired grade one winner Imananabaa out of a mare by **Zemindar** and a stakes winner out of a mare by **Black Zephyr** (both by **Zephyr Bay**), grade two winner Dances on Waves out of a mare by **Canny Lad** (by **Blethingly**, who might also be brought in through **Hurrican Sky**) and stakes winner Donna Natalia out of a mare by **Marscay**. From the **Luskin Star** branch of **Star Kingdom**, one might also consider daughters of **St. Covet**.

Duplicating **Riverman** has worked well for **Anabaa**, and this might be achieved with daughters of **Brief Truce** or **Exit to Nowhere**. Anabaa has a trio of group one winners out of **Blushing Groom** line mares, and this cross might be best introduced through **Quest For Fame**, **Nassipour** or **Housebuster**. We will also note that Anabaa has two stakes winners out of mares by **Bite the Bullet** (who gives a double of the important mare, Gay Missile), and his close relative, **Spectacular Spy** might also work well.

## SUMMARY – ESPECIALLY PROMISING STRAINS

From the above, strains or individual stallions that look particularly strong here are include:

**Storm Bird** through **Bluebird** and **Storm Cat** (including via **Hennessy**, **Tale of the Cat**, **Giant's Causeway** and **Statue of Liberty**). **Last Tycoon**, particularly through **O'Reilly**. **Night Shift** and his sister **Fanfreluche** (in **Encosta de Lago** and **Flying Spur**).

**Sadler's Wells** would particularly appeal through **Carnegie**, **High Chaparral**, **Montjeu**, **Galileo** and **Scenic**, although these crosses are very likely to result in middle-distance runners. **General Nediym**, reinforcing the Northern Dancer/Sir Gaylord cross should work well.

I would be prepared to cross back over Danzig via **Grand Lodge**, **Testa Rossa**, **Perugino**, **Redoute's Choice** and **Flying Spur** and **Holy Roman Emperor**.

Most **Mr. Prospector** looks strong, but particularly **Woodman** and **Miswaki** (including **Umatilla** and **Bachelor Duke**); **Gone West**, including **Zafonic/Xaar**, **Grand Slam** and **Elusive Quality**; **Machiavellian** through **Street Cry** and **Gulch**; **El Moxie**; and **Fusaichi Pegasus** and **Distorted Humor**.

**Roberto** is strongly indicated, and particularly **Red Ransom**, with **Domesday** doubling The Minstrel.

**Kenmare** line mares appear very strong, notably **Kendor** and **Verglas**. Duplicating the Gay Missile strain via **Bite The Bullet** and **Spectacular Spy** is also well worth trying.

### ANACHEEVA – STALLION SYNOPSIS

A classic-winning Champion Miler, Anacheeva is by Champion Sprinter and outstanding sire, Anabaa, one of the most important sons of Danzig, and is out of a mare who is dam of four graded stakes winners, three of them grade one.

Although Anabaa is a **Northern Dancer** line stallion he has done well back over mares from that line, siring 21 stakes winners out of **Northern Dancer** line mares. ### **ANCHEEVA – BLUEBLOODS EDITORIAL**

When one contemplates the impact of Danzig in Australia and New Zealand, naturally the first horse to come to mind is the breed-shaping Danehill. As seminal an influence as Danehill was, one should not look the impact of several other Danzig descendents in this part of the world. The Danzig line via Green Desert has supplied such as New Zealand Champion Sire Volksraad; Desert Sun, sire of the great mare Sunline and broodmare sire of the invincible Black Caviar; and current freshman sire I Am Invincible. And then there is Anabaa: following an unlikely racing career that saw him develop from a horse written off as a “wobbler” to a European Champion Sprinter, Anabaa forged an international stud career that saw him achieve a standing as one of the very best sons of his sire.

A two-time Champion of Two-Year-Olds in France, where he will be remembered as sire of the mighty Goldikova and French Derby winner and grade one sire, Anabaa Blue, Anabaa also more than made his mark in Australia. In fact from his shuttle seasons, Anabaa sired 38 stakes winners, no less than 19 of them graded. Eight of Anabaa’s Southern Hemisphere sired offspring scored at the highest level, including Champions Yell and Anabandanda, Virage de Fortune, Teranaba, and the classic winning champion siblings Headturner and Anacheeva.

Anacheeva, who retired to begin his stud career at Victoria’s Chatswood Stud for the 2012 breeding season, earned his classic victory, and a title of Champion Three-Year-Old Miler in Australia, with his score in the sire-making Caulfield Guineas (gr. I). Successful also in the Caulfield Guineas Prelude and Mitchell McKenzie Stakes (gr. I), and third in the AJC Australian Derby (gr. I), Anacheeva took the scalps of such as Toorak Toff, Jimmy Choux, Yosei, Southern Speed, Shootoff, Ilovethiscity and Skilled.

Like Anabaa, Anacheeva’s dam, Monroe Magic, has also earned superstar status as a producer. A daughter of Zabeel, she is dam not only of Anacheeva and the AJC Australian Derby (gr. I) victor Headturner, but also of grade two scorer Kroner, and of the 2013 Manawatu Sires’ Produce Stakes (gr. I) captress O’Marilyn.

So, let’s have a look at some strains that might suit Anacheeva. Firstly, we can note that although Anabaa is a **Northern Dancer** line stallion he has done well back over mares from that line, siring 21 stakes winners out of **Northern Dancer** line mares. His champion Yell is one of two stakes winners by Anabaa out of mares by **Bluebird**, a son of **Storm Bird**, who is also available through **Storm Cat**, whose representative in Australia include **Hennessy**, **Giant’s Causeway** and his son **Shamardal**, **Tale of the Cat** and **Statue of Liberty** (who gives linebreeding to the exceptional mare Gay Missile). Danzig has also done well with **Nijinsky II**,

suggesting trying other **Gone West** line stallions, such as **Mr. Greeley**, **Iffraaj**, **Elusive Quality**, **Elusive City** and **Grand Slam**; and two stakes winners out of mares by **Machiavellian** (sire of **Street Cry** and **Vettori** ; and grandsire of **Street Sense**).

Woodman is a **Mr. Prospector/Buckpasser** cross and Anabaa also has stakes winners out of mares by the similarly-bred **Seeking the Gold** (sire of **Secret Savings**, **Lujain** and **Dubawi** – a horse who may like the Northern Dancer/Sir Gaylord in Anacheeva) and **Miswaki** (sire of **Umatilla** and **Bachelor Duke**). There is an Anabaa stakes winner out of a mare by **Gulch** (sire of **Thunder Gulch**), one out of a mare by **Kingmambo** (sire of **King's Best** and **Dubai Destination**). It might also pay to introduce **Mr. Prospector** through **Hussonet**, **Defensive Play**, **Unbridled's Song**, **El Moxie** and **Distorted Humor** and **Fusaichi Pegasus** (who both give well-placed inbreeding to Danzig).

Anabaa has four group winners out of **Roberto** line mares. They include classic winner Style Vendome, who is out of a mare by **Dr. Fong**, a son of **Kris S.**, a horse who can be introduced through **Prized** and **Brocco**; graded winner Slapstick, who is out of mare by **Red Ransom** (who might be sourced through such as **Sri Pekan**, **Domesday**, **Charge Forward**, **Intikhab** and **Ekraar**); and group winner Arazan, out of a mare by **Lear Fan**, the sire of **Casual Lies**. It would also be worth considering introducing **Roberto** through **At Talaq**. It could also be worth trying Anacheeva over mares descending from Roberto's sire, **Halo**, through **More Than Ready**, **Sunday Silence** (represented in Australia by **Tayasu Tsuyoshi**, **Fuji Kiseki** and **Geniune**) and **Don't Say Halo**.

Anabaa did very well with mares from the **Kenmare** line, siring group one winner Virage de Fortune out of a mare by **Kenmare** himself, two stakes winners out of a mare by **Kendor**, and a group winner out of a mare **Highest Honor**, as well as a stakes winner out of a mare by that horse's son, **Verglas**. This would suggest also trying mares by **Metal Storm** and **Kenvain** as well another from the **Kalamoun** line in **Jeune**.

Introducing the **Sir Tristram** line will mean doubling that horse, but we can note that Anacheeva's graded stakes winning half-brother is bred a stallion bred on Danzig/Sir Tristram cross and has Sir Tristram 3 x 3. One might look to daughters of **Marauding**, **Grosvenor**, **Kaapstad**, **Sovereign Red** and **Dalmacia**, all of who appear in stakes winners inbred to Sir Tristram with one strain via Zabeel, as here.

From the **Star Kingdom** line, Anabaa has a grade two winner out of a mare by **Canny Lad** and a stakes winner out of mare by **Marscay**, and daughters of **Hurricane Sky** and **St. Covet** might also be considered.

Duplicating **Riverman** has worked well for **Anabaa**, and this might be achieved with daughters of **Brief Truce** or **Exit to Nowhere**. Anabaa has a trio of group one winners out of **Blushing Groom** line mares, and this cross might be best introduced through **Quest For Fame**, **Nassipour** or **Housebuster**. We will also note that Anabaa has two stakes winners out of mares by **Bite the Bullet** (who gives a double of the important mare, Gay Missile), and his close relative, **Spectacular Spy** might also work well.
